Hi Peter,
Sorry to say, I'm not much better at answering e-mail than I am s-mail. :(
I got your packet and I thank you. I have read through it, but didn't
find my whole genealogy done for me! ;) Just kidding. If you ever hear from
Luke, send him my way. He's late for dinner....

Below is an ahnentafel chart for my Elen WHITLOCK. As you can see, I
don't have much information. What I do have is from other people's research.
I am really stuck on where Luke and family ended up. He is listed in the
1830 census for Lorain County, OH. At least it sounds like him, but back
then, who knows. ? Help M Main Menu P PrevMsg - PrevPage D Delete R

e him, but back
then, who knows.

Until I can get more solid proof on Luke, it doesn't make much sense to
bother with the generations that came before him.

Judy: I put a package of information about the Whitlock Family
Association files in the mail to you today. Hopefully our 30 years of
sharing Whitlock research through a clearing house system will be of help
to you.
