Dear Peter,

I have been given your name and address, as a person interested in the WHITLOCK family tree.

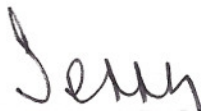

My mother's maiden name was **WHITLOCK** and I have delved very slightly into her family tree and have come stuck on her grandfather, a **George James WHITLOCK**, who was born around the 1825/26 time in Salisbury, Wiltshire.

The census returns, in which I have found this person, all indicate that this **George James WHITLOCK**, was born in Salisbury, but I have not been able to find him in the parish registers I have looked into, therefore not been able to go back any further. The first census return I find this **George James WHITLOCK** is the 1861 census return, and he is shown as just **George WHITLOCK**.

I enclose all the known history of my **WHITLOCK** family tree.

In your records have you any information that would assist me in going back further, it would be appreciated.

Yours sincerely,

Terry Morley
