Mr. Whitlock,

I was referred to you by Charles Rockett concerning the Whitlock newsletter. I would like very much to receive this newsletter and am enclosing a money order for \$10.00.

Hannah Whitlock was my great-great-great grandmother. I am descended from her second marriage which was to John Maxwell. I am particularly interested in her parents <sup>born 1762</sup> James Whitlock and <sup>born 1758</sup> Mary Adams.

I have not been able to find who Mary's parents were. I also have not been able to learn who was the mother of James. I believe her first name was Esther.

I am looking forward to receiving your newsletter.

Thank you,

Jane Ryan
