Hi -
I doubt if you remember me, but a few years ago you provided me with data on one of my Mason ancestors who married a Whitlock. This was done by mail with the help of my friend and neighbor, Dick Heineman. Since then I have been suggesting that anyone I encounter with a Whitlock connection contact you. We finally got Dick connected to the internet and recently he gave me your e-mail address, which I now? Help

provide to anyone interested.
See the attached. Apparently I suggested someone contact you and they
thought I was interested in their search. Now someone else has picked
that up. All being very helpful.

Thanks again for my Mason-Whitlock stuff.
Ed
