Peter-Just got home from San Antonio to find your message. I notice our year of birth is the same for Mary WHITLOCK, 1793, but I have 03 Mar 1793. This DOB also about 25 years ago from my husbands elderly aunt and she just had it written down, I have no sources for any info on Mary.

I would be very interested in seeing what you have on the WHITLOCK's. I am really confused now maybe you can make some sense out of this. I believe that our Polly WHITLOCK died before the family moved to AR. She is not mentioned in *Chapman's* Sarah (MCDONIEL)JEANS and Mary Ann (MCDONIEL)SANDERS were listed as still in TN. *LOOKING AT THE R* grandchildrens places of birth it looks like they began their removal from TN in the mid 1840's traveled thru IL, MO then settling in Independence Co., AR in the ENDthe early 1850's.

I would be very interested in any information that you might have as you see I don't have very much. My address is:
