Hopefully this will get to you. I have had problems getting e-mail through but Mr Johnson advised to had hicks to address.

Good news...I have maiden name of John Whitlock's wife Sarah... According to marriage license of my ggrandfather Thomas Whitlock and Sarah Nail his mother's maiden name was Giddings. I know you did not have it on the papers you mailed from me from Carl Whitlock regarding this family. I am so excited to have another piece of puzzle.

I am copying obits and letters I obtained in Nebraska. I think there will be a little more information for your data bank. I hope having Sarah's maiden name will be as great of news as was for me for others researching this family.
