Dear Peter -

I've enjoyed the newsletter again this year. — read it from front to back.

I've taken a computer course so am now playing with Internet although I don't have a computer yet.

I can't find enough days to get all of my searching done. — I'm sure you know all about that!!!

I have one new addition -

Jessica Helen was born to Ross & Monique Wuest at Portage la Prairie District Hospital July 18 1997

Probably in July/98 Ross will be transferred to Canadax
