Dear Peter,

I hope you and your family are well.

I did not find much time for family history research in 1997, also I have reached the stage where most of my ancestors are elusive - but I keep trying! Whilst reading a magazine at Christmas I came across a mention of Henry Whitlock & Co of Holland Gate, photocopy of the article enclosed.

We paid one visit to the new Family Records Centre last spring. It is convenient for cross-checking to have the births, marriages and deaths indexes close to the census, but it has left the wills at Somerset House isolated. I liked to spend half a day at Somerset House and half a day using the births, marriages and deaths indexes at St Catherine's House. Too much time would be lost in travelling to do that now.

I have a few items for the Whitlock.8 chart, as follows:

- S4) Frieda Mary Powell WILKINS, born July 19 1915, married Wilfred DODD on September 4 1937 at St. John's Church, Great Ilford, Essex, England.
- T6) Sally Lu DODD married Neil MACALPINE on June 1 1996 in Western Australia, and
- U3) Dean Christopher MACALPINE was born on March 7 1997.
- R1) Philip Stanley WHITLOCK died on July 25 1923^d at Great Cornard, Suffolk, England.

I have found some more children of Q11) Sarah Ann WHITLOCK and Isaac BLYTH:

- R1) Isaac B. BLYTH
- R2) Annie A. BLYTH
- R3) Emily BLYTH
- R4) Fanny BLYTH born 1880 (R1 on the copy of the chart I have)
- R5) Harry George BLYTH born 1880

My copy of the Whitlock.8 chart is dated 1990. I have therefore included an extra stamp with my subscription for 1998 and should be grateful if you would let me have an updated version in due course.

With best wishes for 1998.

Yours sincerely,

Sylvia.
