SARAH A. WHITLOCK married Dempsey B. Medford October 18, 1849 as recorded in Marriage Book B, page 33.

MANERVA WHITLOCK married Jonathan G. Ellison July 22, 1851 as recorded in 85%MANERVA WHITLOCK married Jonathan G. Ellison July 22, 1851 as recorded in Marriage Book B, page 134.

JANE WHITLOCK married Berryman Freeman April 6, 1856 as recorded in Marriage Book D, page 59.

That's all I have for now.

I've been working on the VALAND file. You may have just as much trouble next time opening the file. The fellow who installed the new pc said there was a filter in Windows 95 to enable me to open my files that were done in Windows 3.1. I don't know if that will work better or worse for the compatibility of our two systems. If the filter works on everything, that will be great. I plan to send you several different file extension with the hope that one of them will work.

I hope things are well for you. We've been having spring-like weather for weeks but tonight, it turns cold again. The only thing I like about cold
END I hope things are well for you. We've been having spring-like weather for weeks but tonight, it turns cold again. The only thing I like about cold weather is a fire in the fireplace. It looks like I may get to enjoy one tonight.

Regards,
