Mr. Whitlock,

I recently wrote to Charles Rockett asking him if he had a certain Whitlock in his data and he said I should write to you, that you may be able to help me.

My 6 Grandmother was Alice Catherine Whitlock and she married Tinsley W. West 4 Jan. 1883 in Fayette County, Kentucky, so it could be assumed she lived in Fayette County. Tinsley was b. 14 Mar 1855 in Estill Co., Ky and they had 3 children. I have no info other than the names of her children, don't know if she died young or if they were divorced. Alice and Tinsley lived in the Jessamine County, Kentucky area and believe their children were born around High Bridge. They were: Robert Lee, b. 8 Jun 1884 - Andrew Thomas b. 30 Nov 1885 - William Henry b. 30 Oct 1887. ENDtheir children were born around High Bridge. They were: Robert Lee, b. 8 Jun 1884 - Andrew Thomas b. 30 Nov 1885 - William Henry b. 30 Oct 1887.

If you have anything at all on her and could let me know, I would really appreciate it very much.

Adda Lewis
