Subject: Re: Whitlock Family Association Response Form

Glad to hear from you so soon. Certainly hope our Whitlocks join up. This family search is like reading a great novel, you just want to keep on going with it.

William Jasper Whitlock born in 1855 was the son of John H. Whitlock born 6/5/1831 & died 12/18/1915. His wife was Sarah A. Whitlock (not sure of her maiden name yet as I have not received copy of her death certificate back from the state.

Sarah A. was born 03/10/1835 and died 08/10/1905. Both of them are buried in Timber

Ridge Baptist Church cemetery in Hall County. I am working on the names, ages of their other children now. Will let you know what I find out.

I really do appreciate your mailing me the info. Thanks again.
