Dear Peter.

Thanks for answering my Email. No problem with the delay. I can see how busy you could get trying to answer all the Whitlock Email. I have been in contact with Greg Whitlock in Virginia and Elinas Whitlock in Alabama. We believe that indeed Henry Wilborn Whitlock was the son of Richard Whitlock and his wife Sarah Patrick of Patrick County, Virginia. When Henry married his second wife he stated his father was Richard. When he married his first wife his mother gives her consent. Soon after Henry marries his first wife his siblings split. He and at least one brother stay in Floyd County. His mother, a sister, and two brothers go to Kanawha County. There I found Sarah on the 1850 and 1860 census living with family. She died there in 1862 and is recorded in their death records. We believe that Richard is the son of John Whitlock and his wife Sarah Wilborn and is the Richard mentioned in the will of Sarahs father Lewis Wilborn in Halifax County. Earlier I did believe that this John who married Sarah Wilborn was the John son of John Whitlock and Ann Logan. But with Richard born in 1769 it would be a tight fit. Elinas believes that this John who married Sarah Wilborn is the son John son of Thomas Whitlock and Elizabeth Dupree who leaves a will in Halifax County. That is where we are right now. I do appreciate you offer to send some data. Anything on the Whitlocks in Floyd County, Patrick County, Goochland County, and Halifax County would be greatly appreciated. I will be happy to pay for any expence. Just let me know. I also might mention that I make a trip to Salt Lake City to the big LDS library there once a week. So if I could make search for you or copy anything let me know. Again I thank you in advance for the copies and let me know what I owe you.
