Hi Peter,

Long time no hear, wow You have to be really busy. If you need help maybe I can help in some way. My sisters and I are going over to Canada later this week, maybe Thursday and Friday. We are going to Lamton Library and maybe into London to check on things in Strathroy. I'm really looking forward to it. We are going to see Doug and his wife Janet in Peterolia.

I'll have to give you the information I have on William Whitlock John's son.

You have quite a bit, but I can get some missing names.

O k I'll get back to you, maybe you can find a little breathing time.

Your Cousin what far removed. Oh, there was a John Whitlock that lived in Glenco Ont. married to an Alice Waterworth, Do you have information on him Hugh in Tilbury says they are probibly shirtail relatives.

Hi Peter, My sister and I went to Petrolia about a week ago.

I got the cemetery book for Hillsdale cemetery in Petrolia and pick up a couple of records of marriages. I got one for William G. Whitlock and Eliza Esther Oke and her brother Neil and his wife Florence. I also pick up one for a Mary Ellen Whitlock that married a Samual Oke in 1872 in Stephen's Twp. I also picked up the Census for 1871 and found an Amilia Whitlock not living with the family, but Hannah Downey was with her. I have to look up some more stuff and get back to You.

Rita
