Hello Peter,  
This is Rita Whitlock Somers here. You had thought my Whitlock's were Whitlock #28,  
I found in the 1851 census for Middlesex Co. Ekfrid-Whitlock, Susan-Ire.-E.-75-- means she was born in 1776--Richard-Ire.-E.- 48 b. 1803--Mary{wife of Richard}  
-Ire.-E.- 52 b.1799--John-UC E.-21 b.1830--Susan-UC-E.-18 b.1833--William-UC-E.-16 b.1835--Robert-UC-E.-14 b.1837--Sarah J.-UC-E.-9 b.1842.  
So I think this Susan is the Susan Williamson married to John Whitlock that was the family Cuma Schofield is connected to. My John Whitelock was in the 1851 census in Addington Co. Camden E.Twp. The Whitelock had an e in the name. It also states John was 41 when they did the 1851 census. Then in 1862 you find them in Middlesex Co. Adelaide Twp. that where their son William b. 1838 was married to Matilda Freele on Dec. 12, 1862. Matilda Freele's brother James married William's sister Mary Whitelock b.1848. The marriage record for William states he was born in Frontenac Co. Kingston, and his parents were John and Rachel Whitlock, with the middle e dropped. John was born in Ireland the 1851 census states, it also says he was a carpenter, and E. Methodist as his religion. but it doesn't show me where in Ireland. Do you think he is connected with one of the other Whitelock from Ireland or was John and Susan his aunt and Uncle? Please let me know what you think.  
One other thing, on the census it has they lived at 3&4 concessions on lot 1 to 25 no. inclusive. Thank for your input.

Hello Whitlock's/ Whitelock's

I'm looking for my great grandfather's  
sister Lucinda born about 1841/42 in  
Frontenac Co. Kingston area. Her Brother was  
{my grandfather} William, he had another  
sister Mary who married James Freele in  
1865. We know where Mary and William went to  
but nothing on Lucinda. We would like to  
know what happened to her, who she married,  
if she had children, did she marry and go  
to the States and if she did when, do we have  
more cousin's throu her? Wow what a lot of  
question's. And we wonder if someone has the  
answer's. Thanks for listening and any help  
you may have or have a lead on. Thank's  
again. Rita Whitlock Somers

Hello Chuck and Peter,  
How you guy's doing? I got the newsletter today, thank you. I better get  
buzy and  
find some more information, I found out it's great to see you name in  
PRINT, and  
that didn't happen this time, Ha Ha. I just wanted to know if I have  
dates birth and  
deaths and marriages should I just e-mail to Chuck for verification or  
where should  
sent it to the Whitlock Assocation e-mail address?  
In the newsletter you had something about Whitlock Assocation in  
Farmington, Mich.  
My brother Ken worked for Whitlock Manufacturing in Farmington Hills,  
Mich. The  
company folded and my brother moved to Texas. The guy's he worked teased  
him  
about being the owner's son. But I don't know what connection if any to  
us. Some  
thing to check into. I have gotten some names and dates of some of the  
Whitlock's  
in my tree to add to the file #28. Peter, the Hugh William Whitlock, my  
dad's cousin  
in Petrolia, son of Hugh Alexander Whitlock who married Cora French,  
was born in  
1915 not 1905 and we thought. I was talking to him yesterday the 28 th  
of Sept. and  
he told me his name and date of birth. I also came across an article  
about him  
in the Petrolia newspaper for June 1926 of him being hurt and in the  
hospital because  
of an injury he recieved when he was playing. Talk to you later.

Peter,  
Do you have any information on Lucinda Whitlock? She is John and Rachel's daughter born in 1841, she is on the 1851 census in Addington Co. Camden E. Twp. The children are William 12 Years old, he is my grandfather, he also was Sheriff in Petrolia and was known as Pownee Bill, He was a very big man and the outlaw's were afraid of him because of his size. I had corresponded with a Lorna Squires who in related throu William's sister Mary who married James Freele s/o William and Catherine{Seed} Freele. She also said Mary was a very big lady and she had a picture of her that she keeps on her refrigerator and teases her brother's saying they will be as big as her if they keep eating the way they do. Getting back to the 1851 Census Lucinda was born in 1841, I think, because it says she was 10. I also found a a marriage record for a Lewsindy A. Whitlock to a Michael Murphy on the 31, of Jan. 1857, wittness were John Whitlock and Alexander Shaw, and it took place in Nassagweya. Ont. Canada. I was just wondering if this was my Lucinda, sister of William. She would have been 17 years old at that time. And this record doesn't state their age's. And for John Whitlock and Susanna Williamson on John and Rachel's marriage record does it state who Rachel's parents were? Did you find a marriage record for them? Thank's.  
Did I tell you we had a family reunion in Petrolia the first weekend of Sept. at Doug and Janet Whitlock's house, It was terrific. My grandfather sister Rachel Ann married into the Wellington Family, her husband was Ambrose. a few of the Wellington's were there and we exchanged family tree's. Another sister, Frances married into the Phillip's family I'm not quite sure what his name was, so many thing's were going on I forgot and I don't remember and did get a list of name's and phone number's so I can call and check with someone for the name, that is not a problem. Next year we will be a bit more organized than we were this year, we really didn't know what to expect this time, we know now. Talk to you later, Peter, I should get this together and send you the information on my family and how it has grown.
