Subject: Re: Robert Easton

Bob, I was interested in your comments to Tim inasmuch as I am trying to find my ancestor's (Thomas Eastin) roots prior to his having bought land from Dr. Thomas Walker (land that adjoined Dr. Walker's home near Charlottesville, Va., around 1750). We also have other evidence of Thomas Eastin in Albemarle County around that time. However, what we don't know is when he or his ancestors came to the colonies. It is believed that Philip Eastin of Orange County, Va., is his brother. It is believed by some researchers that his wife Sarah Whitlock was born in New Jersey, which raises the question whether Thomas and/or his parents first came to Va. or just later settled there. Would you happen to have anything on the names Thomas or Philip Eastin prior to 1750? I would appreciate any help you can give. Thanks a lot.

Hi Chuck

All I have is Sarah Whitlock born about 1728 (maybe in New Jersey)

Died before 1785.

Does this match anything of yours?? Can you add siblings or parents??

Anxious to hear.

Fondly,

Sandye

Chuck

That unsupported fact is simply in my notes. I have no proof for any of the info re: Thomas and son John. I have made inquiry about a book by William Starr Easton. Are you familiar with it? If so where can one obtain a copy?

Do you have any other or different information whcih we might share for our continued research?

Also on the same page of notes is the location of Albemarle County, VA (near the home of Thomas Jefferson) I believe that this is where Thomas lived.

I also have that Phillip may be a brother to Thomas -- John was born in NY -- Son Augustine settled in Bourbon County KY

I also have some email addresses on the same page of notes, but would not consider giving out names without first contacting them.

Tell me, if you will, what you have re: Thomas.

Fondly
Sandye Hicks
