No I do not belong to the Whitlock Association.

My connection to the WHITLOCK family is through my Grandmother Pansy Hattie Whitlock. She is the daughter of Benjamin Harrison Whitlock and Harriet Exum. I believe the maiden name of Benjamin's mother is Daughtery/ Doughtery. Pansy had a sister named Daisy . PANSY WHITLOCK born 05-27-1892 in Hot Springs AR died 05-26-77 in McAlester, OK. Pansy was educated at BACONE College. she never used her education. She worked at the U S NAVY Base in Savana OK during World War II. She was the mother of eleven children and she married JOHN L. HEATHCOCK in Dec 1910.

Daisy Whitlock taught school at C tree in Pittsburg County OK for 33 years. She was born in Mississippi July 3, 1878. she died June 3 1932. she suffered seven hours according to Dr. Pemberton. She had two brothers B. B. Whitlock of Mineral Wells TX and H. B. Whitlock. (this information was taken from her death notice at the Mills Funeral Home, McAlester, Pittsburg County OK.

Daisy Whitlock age 22 of Wilburton IT married Dave Moody age 28 Wilburton, IT 12 April 1901. #379 Latimer County marriage book.

I have very little information on this family but would love to know more about my grandmother and her siblings. I have an 11 X 14 picture of her father Benjamin Whitlock. My father states that her brothers have stopped in occassionally through the years and visited. Due to the fact that neither of my parents are interested in genealogy they did not record and information nor did they ask questions about family history. I have been unable to find Benjamin and Harriet on any census and do not know where they are buried or where they lived.

Any help or ideas would be appreciated.

Thanks you for your response to this family
