Hi

The familysearch.org site lists an IGI record for my gggrandparent's marriage. They list John Robert Whitlock married Mary Francis Barker on 18 Dec 1851 in Cumberland, VA. I thought they were married in Henrico Co., VA.

This site lists Whitlock on the 1850 Cumberland Co. census index, page 318A. However, page 318A isn't listed yet. John Robert Whitlock was born on 8 Aug 1830. I have he was born in Richmond, Henrico Co., VA. I believe that his father is Davish Whitlock, b:1806. If they are the Whitlocks on the Cumberland Co. 1850 census Davish would be about 43 or 44 and John Robert would be about 19 or 20.

Mary Francis Barker was born 11 Sept 1831. I have she was born in Richmond, Henrico Co., VA also. I don't know who her parents were. John & Mary Whitlock were in MO by 1857 and on to KS by 1863.

I am hoping that someone can look up the Whitlock family for me on the 1850 census. I would greatly appreciate any help you can give me. If there are any questions that I can answer, please don't hesitate to ask.

With sincere thanks,
Brenda Kruger

Dear Peter,

Thank you for writing. It was good to hear from you. I am sending along my family register report. I have just started on the Whitlocks. I have been busy with the Davis side of the family for about a year. I do not have a lot of my mother's cousin's information. However, I will get it. We are in touch with most of them, so shouldn't be a problem. Of course, I have learned after working on the Davis family, that relatives don't always respond in a timely manner!!

We have a few differences on our information. I haven't added the information that you gave me yet. I am able to fill in some of the blanks for you as my mother has the original family Bible page from the John Robert Whitlock family and a photo copy of William Otho Whitlock's family Bible page.

Raymond Lanham D: Jan. 31, 1911 - Husband of Mildred Whitlock

Victoria Whitlock B: Jun. 27, 1860

Sarah Whitlock B: Dec. 14 1863

William Otho "Otho" Whitlock - not Otto (My grandfather)
Armintia Creed - not Ara Minta (My grandmother) we have a lot of pictures of this family and of most of the Whitlocks.

Bonnie Faye Whitlock - D: Mar. 18, 1891 (My grandmother)
Will Press Davis - D: Dec. 10, 1941 (My grandfather)
Mar. 18, 1941 is the date his mother died.

I am not sure where the name Davish Whitlock comes from. My grandmother, Bonnie F. Whitlock, wrote a history of her life, but I need to reread it and see if it mentions Davish and his family. If you would like I will make a copy of her history for you.

I can't tell from the information that you sent exactly where John Robert Whitlock fits into the family. I may just be missing it. Do you know anything about his family before him?

Again thank you for writing. I look forward to exchanging information. My address is

Please let me know if I can answer any questions for you. I will get started on gathering

Whitlock information from all of the family. Let's hope the Whitlocks are easier then the Davis'.
LOL
