Hello Everyone,
I am sending this to all of you because this is our new cousin, she is Uncle Benny's granddaughter{our grandfather's brother} and she lives in Sarnia. Just to keep you all informed as to our connections. I have a connection to all of Grandpa brother's and sister's except Mary Catherine Whitlock Hancock, Grandpa oldest sister. But I know she had children and her husband was George Hancock. So I am still checking on her.

Hi Rita,

How have you been? I've been a little busy lately. I have been trying to have all my grandchildren sleep over before school goes back in. Well the ones that are old enough anyway.

One of my contacts, Debbie Burr, sent me this obituary that I thought you might be interested in.

she wrote:

I did find a notice in the Sarnia Observer dated
> Sept 17, 1921 pg. 12 for the death of William Whitlock. It was in the
> Forest area news.
> "W. Whitlock, a former well known resident of Forest, died at his home in Petrolia, on Sunday last in his 84th year. He is survived by his wife and five sons and three daughters. Wm. G. Whitlock, Detroit; John in Enniskillen; Hugh and Benjamin in Petrolia; Chas in Sarnia; Mrs. George Hancock in London; Mrs. Newman Phillips, in Forest and Mrs. Ambrose Wellington in Bosanquet. One sister is living, Mrs. Mary Freele, Forest, now in St. Thomas. The funeral took place on Wednesday afternoon to Hillsdale Cemetery Petrolia and was attended by a large gathering of relatives and friends. Mr. Whitlock carried on the shoe making business in Forest some 30 years ago. He moved from here to Camlachie where he carried on the same line of business a few years before going to Petrolia about 23 years ago."

I don't know if you already have this info but I figure I will send you any Whitlock data I receive. You can then decide if you need it or not.
