Subject: ANSEL DEVORE 1ST M. MARIAH WHITLOCK

This is what I have in my Whitlock File on the family of Ansel Devore. If you have any proof that any of this information is not correct, please let me know and cite your source and/or reasons why you do not think some part of the information is not correct. Unless they went by other names, children Joseph and Sarah are listed on the census and not in the estate settlement.

Sarah is listed in 1850 as age 9 (b.c. 1841) but missing in 1860 census and not listed as a heir in 1860 so she could have died before 1860. However, that does not explain Joseph listed in 1860 as age 15 (b.c. 1845) but missing from the heirs list and the 1850 household.

It seems that Ansel Devore was first married to Mariah Whitlock and that all of the children older than Susan were by her. See my sources at the bottom of this information. I have been doing genealogy research for about 35 years now. I have not researched the Whitlocks lately. Still have a stone wall on parentage of Winfrey Whitlock. Have the Booths back to before 1680 in Virginia.

Mariah Whitlock Devore

(daughter of Winfrey Whitlock, Sr. and Elizabeth, dau. of James Boothe)

- b. at least by 1812-14 judging from ages of children
- d. c. 1845-48
- m. c. 1827

Ansel Devore a miller by trade in 1850 and farmer in 1860

- b.c. 1800-1808      d. after 1850
- Ansel Devore may have married 2nd c. 1848
- Lucinda ? b. c. 1815      d. after 1860

Children by Mariah Whitlock

1. Elizabeth b. c. 1828-29      d. after 1860  
m. c. 1858-59  
Joseph Thompson  
a. John A. b. 1849-50
2. Frances b. c. 1831 d. prior to 1860  
m. prior to 1850 census

William Free

- a. Frances b. after 1850, prior to 1860
3. William b. c. 1833 d. after 1860
4. David b. c. 1834 d. after 1860

X4204/2

5. Thomas b. c. 1837 d. after 1860
6. Martha b. c. 1839 d. after 1860
7. Sarah b. c. 1841 may have died before 1860 as she is missing from the heir list and the 1860 census.

7. Gasper b.c. 1844

Children by 2nd wife, Lucinda ?

8. Joseph b. c. 1845 only listed in 1860, missing in 1850 census.
8. Susan b. c. Jan. to May 1850 d. after 1867  
m. December 26, 1867 by Rev. J. F. Peterson  
G. W. Smith

She is not listed as an heir in the estate of Elizabeth Boothe Whitlock so she may have been a dau. by the probable 2nd wife Lucinda.

Subject: WHITLOCK & DEVORE CITATIONS

These are the estate citations on Winfrey Whitlock, the father, and his  
widow, Elizabeth Booth Whitlock. They can be ordered from the South  
Carolina Archives and copied I think from the microfilm there in Edgefield  
either at the genealogy library or in the new county building. When I used  
the records they were in the Judge of Probate Office and I got my copies  
from the Archives. That was about 20 years ago.

I answered my own question about the Daughter, Sarah, missing in 1860. She was already apparently married to R. Gregg.
