Peter. thank you, I have not visited your site yet, but intend to soon. Thomas' obit says that he was born in Jefferson Co, TN. He married Eliza Jane in 1865 in Roane Co. They had five sons. The twins Lee and Lester died in infancy. I'm not sure when they went to Iowa; about 1880, my guess, but they are both buried at the Ainsworth, IA cemetery. Eliza's sister Nancy and family are also buried there. The three remaining sons then left Iowa and went elsewhere. Charles died in Arkansas- I have his obit. The other two I don't know. I am anxious to meet some of their descendants. I have much material on Eliza's family as she was my ggg aunt, but am not sure who Thomas' father was. He had a sister Rebecca who married Eliza's brother Samuel H. Burnett and also moved to IA. I am also looking for their descendants and info on them. Thanks for your reply, I will visit the website as soon as I have more than a couple of minutes. Thanks again. Cheryl
