Hi Peter, Thanks for the information. It was helpful. I appreciate the offer of giving my information to the list. I am not a Whitlock member. I am searching for Mariah Ramsey that married into the Whitlock family. She is from Jackson Parish, La. If you have any information on her I would love it.

Hope to hear from you. Mary

P.S.

I am searching where she is buried. I have found her oldest child James I. Whitlock in Ouachita Parish. He is buried with his wife Nettie.

William, the next child received his SS# in La. then moved to Ms. and later died there.

There were 2 daughters born later. I have not found anything on these girls.

I am also searching information on Charles Whitlock, Mariah Ramsey;s Husband.

They were married in 1882. I have no other record on Charles or Mariah. They are a real mystery. If you have anything on them that would help me in the right direction I would appreciate it. Again, Thanks, Mary

Hi Peter,

Thanks so much for all your effort and time in searching this couple for me.

The William you found is his brother. William Edward Whitlock and Devilla Anding had 11 children in La. Most of them were raised in the Ouachita Parish, La. area.

Charles Henry Whitlock Married M.L. Ramsey on Nov. 3, 1882 in Lincoln Parish. Marriage Book B. Page 281

Her birth name is Mariah L. Ramsey. I am unsure why she put her initials on a legal document. I have found no other record of them. I have searched cemeteries thinking maybe they died together at a young age.

The only thing I have found: Maria(h) L. Whitlock purchased 119 Acres in Caldwell/Ouachita Parish in 1904.

The cemetery records I found. Hasley Cemetery in Ouachita Parish is where most of the Whitlocks are buried.

Thanks Again, Mary
