Good Morning Peter,

Thankyou for your e mail, yes I did eventually manage to download some of the zip files...but only a few days ago!!!

after installing a zip file reader. Its early days in my investigations but my Father Brian Whitlocks and Grandfather Mathew Whitlocks, and myself were born in OXTON a village in Nottinghamshire. Apparantly around the time of my grandfather, we added "HOPKIN" AS A PRE SURNAME ie Hopkin Whitlocks, and we have traced a couple of Hopkin Whitlocks family members still using this. I couldn't see any easy links from your Zip Files,- there was a Mathew Whitlock born in Snenton Nottingham, but with different date of birth , etc, My Grandfather was born 20/12/1901. I will try to contact my cousin Denise Whitelock, whom I seem to remember was interested in the Whitlocks Family history some years ago, she may help short cut some information. As I mentioned before, with the exeption of my father and I, most Whitlocks members have been or are currently farmers. My interest in history extends beyond the family tree, as we live in a 16th Century Manor House in a small Lincolnshire village we have formed the Carlton le Moorland History Society in order to study the history of the village, property and people from Anglo Saxon to modern times.

Kind Regards
