I am looking for more info on my father's side of the family, this is the info I have on the whitlock part of it:

Louise Gerlinger m. Leonard Whitlock

Kids:

George?

Willis?

Alderetta m John Mereweather

Cassie m. George Stirner

I was going over the tree I had, with my gradfater. the tree listed Alderetta and Cassie but my gradfater said something about a George and a Willis being on that line.

any help will be appriciated

I have no dates, I know Leonard's wife Louise's place of death was Syracuse, NY, she was buired in Woodlawn Cemetary, and she was a member of the Pioneer Council, Daughters of America, all I have is Louise's obituary, and its just a copy my grandfather made, so I have no clue on the year
