Richard Gentry has the wrong David in GFA for the son of Nicholas-III and
> grandson of Nicholas-II. Nicholas' son David and daughter Mildred were
> married to members of the Whitlock family. David and Elizabeth Whitlock
> moved from Louisa Co., north to Caroline Co., along with other Whitlocks,
> and he is found in some of the early census records there. His sons John
> N., Thomas, and Jesse moved to Buncombe Co., NC in about 1820 and settled
> there permanently. David eventually joined his sons and was buried in the

> same cemetery as John.
