Subject: RE: [RAINS] My Raines Mystery

I will dare jump in a little as George and Joab are my family and I have a good deal and still growing. The 5th child of George and Rosannah was James, born Aug. 23, 1775, he married Elizabeth Jackson, and both likely died in Warren Co., TN. Of their 10 children John b. Oct 25, 1825 (known aka James Jackson Rains) m. Martha Ann Whitlock. Some of James children did make it to AL. but most went to LA. and even those in AL. ended up in LA. I have a good descendant line on this family to current day folks. I have called and talked to some of them. I would be happy to share what I have, it is best to send a Family Tree Maker report to you in detail in HTML format. Let me know is I can help, hope I am on the right line of interest. I have information stemming for all the 5 Rains' men of N.C. The number one wall for me is to find the father of George, b. ca 1750. Also, on 1812 Tax list of Warren Co. I believe I can show all but two to be the family of this George at that time in Warren Co. I have not identified Henry Rains or Phillip Rains from the 1812 tax list, but can account for all the children and George and Rosannah in 1812.

George Rains was one of the Rainsmen of Randolph County,NC. George married Rosannah Graham before 1770. There 1st child Joab was born Aug.12,1770. Rest of children are

bt. 1782 and Robert, b. abt. 1784. The children of James and Elizabeth Jackson were Thomas, Patsy, Elizabeth, Martha, Isaac, George Washington, John James, Robert and a unknown daughter. We know that Robert never married. The George Rains and Elizabeth went from NC and settled near Jacksboro in Warren County, Tenn. That's about all I know. Take care Vergil
