Hi Peter, I live just north of SLC, Ut and use the LDS library but am not sure of how to access the 9 rolls of microfilm on us Whitlocks. My line is Morris Neal Whitlock, son of Laurel, son of Arthur Clinton, son of William and Sara Jane, son of Samuel and Clarissa Babcock, son of Nathan and Mary Lyons etc. They settled in the NE corner of Indiana and just accross the border in Camden, Hillsdale Co, Michigan. I've been to the Camden cemetary since it's only 10 miles from my dad's place. I'm going to the east coast this summer and want to visit the Redding, Fairfield Co. Conn area but need to know how to access the SLC 'stuff" I have pictures and info on my grandparents that would add to the info since the M9 list that I'm from stops at my gr-gr-grandpa William. Thanks for your hard work on gathering all this great information. Pam Whitlock Ford, Layton,Ut

Hi Peter, I only have 8 more days of school and then start on my summer genealogical tour of the USA. I've been a special ed teacher for 26 yrs working mostly with behavior disorders so summer seems especially nice. I'm looking for some specific stuff on my 09 group.

I have cemetery photos and info on my grandpa Laurel b June 1, 1895 Camden, Hillsdale Co. Mi, m. Elsie Rinehart April 7, 1917, d Ap 7, 1967 Bradenton, FL, buried S. Scott Cemetery, Angola, Steuben Co., In ggr Arthur Clinton b Nov 20, 1867 Hillsdale co, Mi, m Harriet Teeters Oct 4, 1894, d Sept 5, 1947 Clear Lake, In, Buried Teeters Cemetery just east of Fremont, In.

gggr William -stone says d May 21, 1893, 64Y 2M 17d, Father, Vet 1861-65 and Sarah Jane his w., Jan 25, 1840-Mar 28, 1903, Mother, buried in Camden, Hillsdale, Mi, I have picture of each of them that will send sometime.

ggggr Samuel, stone says S. Whitlock d Sept 7, 1877, 84 Y, Clarissa, w of S., d Feb 19, 1871, 68 Y., both in Camden, Hillsdale co., Mi next to Edward Whitlock, wife Elmira, wife Ellen

I would like any pictures,; land deeds from Samuel/ Clarissa in Ravenna, Portage Co, Oh on 1850 census or Redding, Fairfield, Conn so I can stop on my way to Boston; any known cemeteries of my line ,

have something on Beaver Boggs Cemetery 4 Whitlocks but mine had already left Conn

any marriage, birth, death stuff or whatever you have since I only have census stuff and what you sent

So, where do you fit into the family? How far north are you in B.C.?

Maybe I'll stop by sometime in my travelings and get some stuff. I have a cousin in Conn not too far from the old family stomping grounds so we're going to do some stomping this summer cuz he's the only one really interested. My 3 sisters and one brother say it will be cool when I have all the work done and give it to them but there isn't much interest like me who seems to be driven toward all this fascinating stuff. There is no rush on all this unless you have cemeteries and homesteads so we can go there.

Well, thanks for everything, cousin. I'll wait til my husband gets home Fri to download anything you send so I don't lose it. Thanks, Pam
