Subject: Family of Eli Dodson

Sandy,

I am addressing this to you and both the Marion and Boone County List. Since there is so much I have typed, someone else may need this info too.

Here is just some from the Dodson Book which I obtained a photocopy of from it's compiler Luther Wood. Luther is related to the Dodsons, the Dentons, and the Woods. This is a book which was printed of his research for his family. I found Luther and his wife well when I last visited them in about 1999. Luther is a retired school teacher and seems to be very accurate in his information. Here is a little of what I have.

CHARLES DODSON, SR (b. abt 1649) in probably England. Married Ann ? in 1678-1680. Charles Sr lived in North Farnham Parish, Richmond County, Va. He was a large land owner which he left to his sons with the restriction they could not sell except to one another. Charles Sr was respected by his neighbors.

Charles and Ann's Children:

Charles Jr married Ann ? (seems unusual - same as his dad)
Thomas born 15 May 1681 in Richmond, Va; married Mary Durham ca 1739-1740
Bartholomew Richard, Born Richmond, Va, married Elizabeth Clark before 1707

I have a typed transcription of the land grant from Tennessee Grant no 93 to William Dodson for 100 acres in White Co., Tn

Daniel born 1790 - 1800 (land owner white co, tn) married before 1820

Note: have typed transcription of William "Bucky" Dodson obituary and Will

I believe this is where your information starts. Since Luther's Family came from Daniel Blue Dodson who married Emaline Denton he did not trace Eli further.

As far as the Cantrells.

X4445/3

First the Cantrells owned a store in Lead Hill at one time.

In my Wilmoth/Wilmouth information I have group sheets on :

Isom Jasper Cantrell born Feb 8, 1856

Abner Cantrell born 1795 in Spartansburg South Carolina

Thomas Cantrell born 1825 married Martha Goad

I also have in my possession

the ORIGINAL land grant for William P Cantrell

the ORIGINAL quick claim deed for Eli Dodson and Mary A Dodson where my great great grandfather John Wesley DeShields purchased their land (Eli has the most beautiful penmanship I have seen. Mary signed too.

the ORIGINAL Deed of Conveyance from William P Cantrell and Elizabeth Cantrell to James M St. John for land.

the ORIGINAL land grant for Eli Dodson in 1850.

I obtained these originals from the estate of John Wesley DeShields who had passed them on to his daughter Minnie DeShields Wilmoth. When John Wesley died, he had loaned money on property all over Boone County. Since the estate was "settled" most could not pay upon demand and most was written off. This is why I still have the originals.

John Wesley was a carpenter and his brother was a stone mason. He was married to Frankey Green DeShields who was the daughter of Mike Green.

Anyway, this is a short (?) version of what I have. If you want more on this line, email me and I will mail you what I have. If anyone else needs copies of this email me but be patient as I can be slow.
