Dear Peter:

I was surprised upon receiving the March Newsletter with the dues blank enclosed. The newsletter said it was enclosed if one had not paid their dues.

I sent you a letter on Feb. 2, 2002 enclosing a check. I remember it because I went downtown to the post office to ascertain the postage to Canada. I also enclosed the information that my brother, OTIS FRANKLIN WHITLOCK, of Toledo, Ohio, had died Sept. 6, 2001. That was not printed in the newsletter, either, which tells me the envelope didn't get to you or was misplaced. Now, I can send you another check as the previous one probably would not be honored due to a stale date if found. I'll wait to hear from you as putting a Stop Payment on it would cost more than the amount of the check.

As of now there is no Whitlock reunion planned in Kentucky that I know of. The cousin who planned last year's had a bad health problem and bowed out. Nobody came forward.

Hope you and family are doing well. We went to Arizona for Christmas and all three girls were with us at our Cynthia's home, and all five grandchildren. Wonderful. One is at the University of Oklahoma, another at Midwestern University in ⁱⁿ ^{at} ^{the} ^{university} ⁱⁿ ^{Arizona} ^{with} ^a ^{medicine} ^{degree} and rest are in high school and are going to Tulsa to graduation exercises May 20 for Katie. She has a scholarship at Oklahoma State for the fall. Hopes to study architecture. Each generation progresses.

Will await your advice.

Marian
