Nelson Whitlock

My grandmother, Sophia Jewett Miles, was married to A. Nelson Whitlock; don't know where or when. All I know about him is that he is buried with her in Marinette, WI. Cemetery records have NO information, can't even find a death certificate or notice in Wisconsin. His grave stone says born in 1815, died in 1891 (or 92, hard to see). Does anyone have any information that may help? Sophia was supposedly born in New Brunswick or Maine (border dispute?) and her son, Douglas Miles, supposedly came into US in 1878, eventually settling in Marinette, Wisconsin.

Thanks for any help, Karen

Peter; Thank you so much for your efforts. I'm afraid what I can send you is not going to be of any help.

I have nothing before or after Nelson Whitlock; all I know about him is that he is buried with my grandmother as Nelson Whitlock (and she as Sophie Whitlock, widow of (maybe Thomas) Miles). In her death notice it announced she was the widow of A. Nelson Whitlock. I have checked everything I can think of in Wisconsin and Michigan (because they are buried in a border town), but have come up with nothing!

I am sending you the descendent sheets for both, and will hope someone somewhere will have a link.

Thanks again, Karen
