Dear Mr. Whitlock,

My uncle, Dr. Richard Whitlock, sent me a link to your page. He tells me there is lots of info on the Whitlock family to be had there! The link he sent is:

<http://members.freemail.absa.co.za/fickwh/whitass/index.htm>

Unfortunately I can not find the pages. Please send me the correct web address. I will forward that info to my uncle, and other Whitlock relations.

My mother was a Whitlock (Margaret lola Whitlock) the daughter of Omer Floyd Whitclock and Hazel Nora Farmer nee Whitlock. My uncle is, of course, her brother. I would be happy, if you like, to give you info on my decendants (2 daughters and 2 grandsons) to add to the records you have.

Please let me know about the web site, etc at your convenience.

Thank you - Philip Jones
