G'day!

I was hunting around for something to do, and found your site on the Whitelock family. My name is Philip Alan Whitelock, currently resident of Canberra, ACT, Australia. My family moved to Sydney from the UK in 1954, aboard the SS New Australia. I have a sister Susan, and a brother Allen Paul. My mothers Name (Dec), was Anne Mary, Father is Leslie. Originally from Leeds, Yorkshire.

Where do we fit in?

Regards,

Phil Whitelock

G'day Peter!

Thanks for your reply. My mothers maiden name was Anne Mary Austerfield.
(deceased)

My Father, Leslie, is 81 this year. I was born on 27/09/49. I have a sister
susan, And a brother Allen Paul.(deceased.) Recent visit from a long lost
cousin. Ralph Whitelock relays that there is a pub or restaruant in the
family somewhere.

Whitelocks have spread all over Australia through highly mobile and
adventurous kids. Sorry this is all I have.

Regards,

Phil Whitelock
