Good morning, Peter. Yes, I'm sure that the wedding date on Oct.4, 1894 between Arthur Clinton and Harriet Teeters is accurate because the original is hanging on my family room wall. They were married in Hillsdale, Michigan but don't know if that is county or city. Their first child was not Laura but Laurel, my grandpa and his birthday was June 1, 1895. Yes, Lowell was born Oct 31, 1896.

I have a Camden, Hillsdale Co, Mi cemetery page somewhere on Edward and Ella but am in the process of organizing and don't know where it is. By the end of the summer, I should know how to work my computer, scanner, etc and have this info all organized so I can forward it to you. I have something about Nathan's pension but not sure what or where but will ask if I need it when the files all get organized. My husband, Joe, just loaded all the family tree files onto my new laptop yesterday and I worked on updating it. There is a lot of stuff that can be passed on by the end of the summer. I'll be in Angola, In 4th July which is 10 miles from Camden, Mi and then on to the east coast so will be gathering and scanning in more data. Thanks for the offer of staying. Joe now has frequent flier miles so who knows what I will do. I love cats, dogs, horses, don't know any llamas and work with a few jackasses but not donkeys so it all sounds interesting. Thanks for all your help since I'm still fairly new at hunting, gathering, organizing all this genealogy stuff. Have a good day.
