That was my father's name - his life ended tragically, to us, in Beaufort, SC.

His parents: Ted & Letisha Whitlock

His siblings: Edward, and Anna Belle, Mary, Nancy, Bobbie, and Billie.

Please help me in my search to find my relatives and ancestors.

I am William Gordon Whitlock, Jr. born February 16, 1965 and my sister is Letricia Vaughan Whitlock.

We are interested in any information you my help us with...
