Subject: Unidentified subject!

Yes, yes, yes! A clear evidence of my Annie B HICKMAN m. John
DeROUSSE being Annie Broomall HICKMAN! It is enough for me to call
it a shoe-in.

John and Annie B HICKMAN are buried in plot 91 with that PEARSE and
WHITLOCK group. Now here is an excerpt of Anne B. WEIGLE's website:

Children of MARTHA BROOMALL and SAMUEL HICKMAN are:
i. IDA IRENE HICKMAN , b. September 16, 1860; d. July 27, 1861.
ii. ANN B. HICKMAN , b. September 11, 1864.
iii. LILLY HICKMAN , b. September 17, 1867; d. March 03, 1938;
 m. _____ WHITLOCK .
iv. JENNIE HICKMAN , b. December 26, 1874.
 v. MATTIE HICKMAN , b. May 22, 1879; d. July 07, 1928;
 m. JOHN PEARCE , June 07, 1901.

You will recall from my letter of an hour or so ago, that Lillie is
the name of the WHITLOCK! Note also that John and Mattie PEARSE are
listed here, only spelt PEARCE!! Success. From the Chester Rural
website, it might even be safe to fill in the WHITLOCK blank of
Anne's -- John WHITLOCK.

If someone knows Ethel Broomall Dougherty's email address, would
you please forward a copy of this one to her? Thanks!

Vince Summers
