Comment = I know very little about my Father's family, I have a little research text that tells about Whitlock's in the US from the 1700's. Also, supposedly our family is from somewhere in England/Scotland, etc. Our family (most recently) are from Illinois.

Peter - I can't seem to get the information I need from my few existing family members. My grandfather Whitlock, unfortunately I do not know his name I think it was Ora but not sure, he lived in Dix, Illinois (he died in 1926), he had three children named Audie (a girl, Amos and I think Leonard, then he married Flossie Molly VanDola and had 5 children, Kenneth, Keith, James, Dorothy, Ralph and Robert. My Aunt Dorothy Cicigo lives in Sandoval, Illinois, Uncle Ralph lived in Carpentersville, Illinois for years and lives in Colorado now. My father was Keith Scott Whitlock and he was born in 1916 and died in 1997. My Whitlock grandfather owned the grocery store in Dix, Illinois until his death. Than the family moved to Mt. Vernon. This is about all I know.
