Description

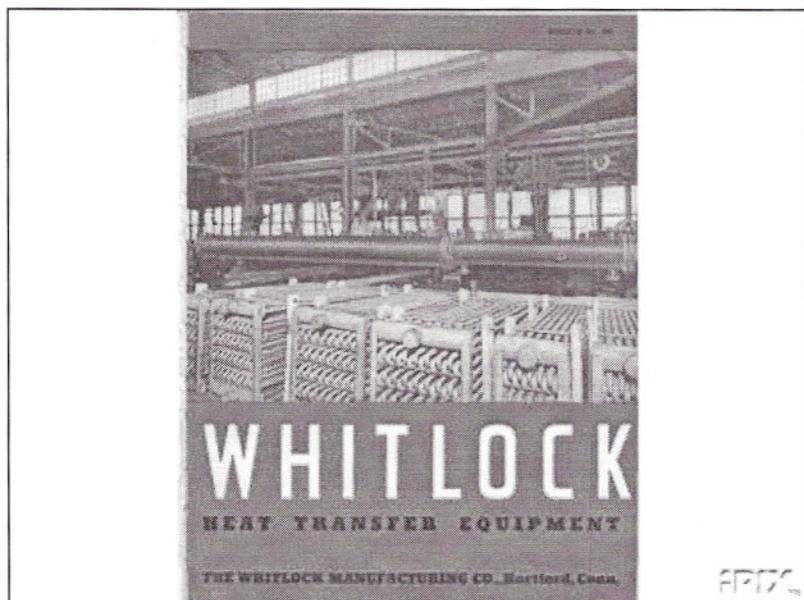

This original 7 page catalogue describes the line of heat transfer equipment from the Whitlock Manufacturing Company. Includes heat exchangers, storage heaters, instantaneous heaters, coils, headers, receivers and tanks and more. Includes

24901/2

specifications and lots of photos. This nicely illustrated vintage catalogue is in used condition with some edge wear and tear from being removed from a group of catalogues, but all illustrations are complete and in excellent condition. Please send winning bid plus \$1.95 S/H; insurance and international extra. Will combine shipping for multiple items.

2. [Learn about this seller](#) - read feedback comments left by others.

¥4901/3

Place Bid

You will confirm on the next page

eBay will bid incrementally on your behalf **up to your maximum bid**, which is kept secret from other eBay users. The eBay term for this is proxy bidding.

Your bid is a contract - Place a bid only if you're serious about buying the item. If you are the winning bidder, you will enter into a legally binding contract to purchase the item from the seller. Seller assumes all responsibility for listing this item. You should contact the seller to resolve any questions before bidding. Auction currency is U.S. dollars (US \$) unless otherwise noted.

3. Know the details - read the item description and payment & shipping terms closely.
4. If you have questions - contact the seller ayntastic *before* you bid.
5. Place your bid!

eBay purchases are covered by the Fraud Protection Program.
