WHITLOCK

The design and construction of the WHITLOCK is a master piece of British engineering and bodybuilding craft. It combines all the essential qualities necessary to the motorist, viz., rapid acceleration, flexibility, speed, delightful steering, perfect stopping, most pleasing and economy of running.

This advanced design of the chassis has been subjected to the exhaustive tests and provides every assurance that could be desired. The ease of control and delight to the heart of our driver and a most practical maintenance list.

The accessories include everything a motorist can desire. The handsome distinctive lines of the coachwork and comfortable accommodations both for the driver and passengers must be seen and tried to be appreciated.

The professional capabilities of the 6 cylinders WHITLOCK are so remarkable as to be substantially demand as follows: It can be driven consistently in traffic at walking pace and can be smoothly and rapidly accelerated on the spur to meet the urgent drive demand.

Never before has there been an amount of performance than combined in one car with such luxury of coachwork and equipment at such a moderate price.

20 HP, 6-CYLINDER WHITLOCK.	
Coupe, Chassis type A	£800
Coupe d'Intérieur, Chassis type A	£900
Saloon, Chassis type B	£850
Sporting Saloon, Chassis type B	£900
Enclosed Limousine, Chassis type B	£950

CHASSIS SPECIFICATION.

20-HP SIX CYLINDER

Engine. 6 cylinders, cast iron block, detachable head 2 1/2 in. bore x 1 1/2 in. stroke (3 x 9 1/2 in. R.A.L. ratio 10:1). Valve capacity 350 cc.

A feature of the design of the combustion chamber which are of such a shape as to ensure the best conditions of the fuel mixture and the most rapid flame propagation. This is one of the reasons for the exceptional high power output and the fuel consumption. Aluminium pistons, duralumin H section connecting rods, overhead valves operated by push rods and rocker arms. Cam shafts, ground and balanced drive on steel shafts with 34 teeth. Two ball bearings, duralumin lubricator. P.T. contact.

Cooling. By pump circulation. 5 fans and fan belt.

Clutch. Single disc press type with sequential bearing.

Transmission. Four forward speeds and reverse, right hand drive, positive locked differential and over.

Steering. Motor, adjustable for wear, wear, wear, in operation.

Front Axle. H section, double spring for both.

Rear Axle. Semi-floating type, fixed head, pressed lamp frame.

Brakes.—Inboard expansion, flexible brake mounted by two pedal work and four wheel adjustment, front brake operates on separate drum and wheel.

Wheels and Tyres. Wire disc wheels, 17 x 4 1/2 in. Dunlop road tires.

Equipment. Positive drive, speedometer, five lamps, clock, main shaft and fan, full set of tools.

All items listed are factory originals and are in excellent condition unless otherwise specified. You may return anything for any reason within 10 days for a complete refund.

NEW YORK STATE SALES TAX: New York residents only please add 7% to 8.5% sales tax (your local sales tax rate) to your total including shipping. Please add the auction price plus shipping together-this total amount is taxed. Sorry, but by state law, your order cannot be shipped without this tax.

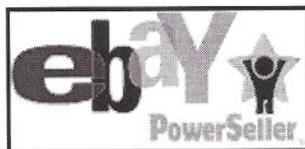

RS21/5

SHIPPING & HANDLING CHARGES (U.S. & CANADA): For all types of "light items": sales literature, owner's manuals, sales brochures, magazine ads, race programs, paint chips, photographs, etc., please add \$3.85 per order for first class mail. This charge includes our careful packing. Shipping cost is only \$1 for one or more postcards. PLEASE NOTE the \$3.85 charge only applies to light items (as listed above). For heavier items, see below. NOTE: If you had the winning bid on more than one auction and are sending in your payment for all of the items at once, the total shipping cost will still only be \$3.85. (Only for items listed above).

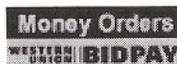

HEAVIER ITEMS: In U.S., for all showroom albums, books, shop manuals, posters and other heavier items, add \$5 per order up to \$100. Over \$100, add 5% up to a maximum of \$25 (U.S.). If in Canada and ordering a heavier item (as listed above) contact us. If items are extremely large, framed or bulky, contact us for a shipping quote. For overnight delivery the cost is \$15 for light items; contact us for heavier items. Assuming that correct payment has been made, all items will be shipped within 5 business days of receipt of payment. Personal checks must clear.

FOREIGN SHIPPING: For foreign, please add 20% for standard airmail shipment (\$5 MINIMUM up to a maximum of \$75). The 20% charge only covers "light items": sales literature, owner's manuals, paint chips and photographs. Standard airmail shipment should take between two and four weeks. (We appreciate your patience). If you prefer that your order arrive any faster than this, please contact us for alternate shipping methods (higher cost). For posters, add \$20 per order. For all books, shop manuals, showroom albums and other heavier items, please contact us for the exact shipping charge.

CONCERNING EMAILS: We would very much like to answer your emails in a timely fashion, but due to high volume, sometimes we get behind. Also, please note that we are not open on the weekends and answer emails each day Monday through Friday only. Sorry for any inconvenience.
