My gr-gr-grandparents were John Whitlock and Martha Jane Greiner. Have found lots of information on Martha Greiner, but have a dead-end with John Whitlock. If there's anyone out there that might have any information on John, I would love to hear from

you.

My gr-grandfather, son of John and Martha, was Emmett Ashby Whitlock.

Thanks

Peter,

Thank you so much for responding. I found John Nelson Whitlock - This is the very first time I've been able to put a full name to my gr-gr-grandfather. I'm not very good at reading these charts - It looks like John Nelson's father was William M. Whitlock and mother Eliza Murry. Can you tell me who William M. Whitlock's father was from the chart? And where they were born, etc.,if you know.

And, are all the Whitlocks in this chart from the same John Whitlock b. 1717 - shown as the first listing? I have always heard that my Whitlock line was English, but that's as much as I know about our country of origin - and not sure if that's correct.

I'll be glad to get you the rest of our line down through my great-nieces. Just need to get some birth dates and dates of death.

Who do you descend from, and how would we be related?

I really would love any source material you have on my line.

Thanks again. You don't know how much this means to me.

Connie
