Does anyone have any info on a Roxanna Whitlock ? Don't know if she is the widow of a Whitlock or whether my great grandmother Angelina was born out of wedlock.

Angelina marr Matthew Hill Washington Burnett in 1865

in Hanover Co. Va. Marr records says Angelina born in King William & names mother Roxanna but says father not known. I do know that Roxanna was marr to a Whipple before she had

Angelina as her son by Whipple signed death

certificate. Apparently her Whipple son was raised by the Whipple since he was not listed with Roxanna & Angelina in the census records of King William Co. Help please. Ollie

Peter, have you run across a Roxanna Whitlock in King William Co. She had a dau named Angelina who marr Matthew Burnett in 1865. My Whitlock family may have been from New Kent Co . We think that Angelina may have been born out of wedlock since we have be unable to find a Whitlock husband for Roxanna. I do know that she marr a Whipple and had a son before Angelina was born. I guess she may have been widowed twice. All kinds of possibilities. Let me know if you run across her.

Thanks, Ollie

Nancy thanks for your reply. I was hoping he was connected to the Caroline Whitlocks.
Please send me Peter's e-mail address.

My Whitlock was suppose to be from King William Co or Hanover but have not been
able to determine if she was the widow of a Whitlock or that possibly she had a child
out of wedlock. Her name was Roxanna (Rosy) who had a dau Angelina who marr my
gg grandfather Matthew Burnett.

Thanks, Ollie
