Hello Mr. Whitlock,,this picture is of the phone listing 1956 of the Whitlocks in Louisa County Virginia, Bill (Willie) Whitlock his office was on the main street of Mineral Va. my father adopted me in about 1963 He was the lawyer who fought the state of VA so that my parents could adopt me and my brother, we were just foster children at the time an it was not lawful for foster parents to adopt because of knowing to much info about the children, but Mr. Whitlock won the case, I have often thought we were like the first open adoption ever in Va. but that was just my thinking. But thanks to Mr. Whitlock me and my brother became the Children of Bill and Ilma Clough Gibson. My brother Sam Gibson and myself along with about 40 other young people including John and Jane Whitlock, we were memembers of a traveling youth choir for a few years. John and Jane lived a much different life than most of us, because of them coming from a wealthy family. But we would all sing our hearts out. The Whitlock's were and are some of the nicest people of Mineral Va. I believe Jane Whitlock married a lawyer John Fisk but I am not 'certain' his first name is John. John Whitlock (Johnny Whitlock) started and owns the Whitlock Group of Richmond Va. he might have sold it by now, not sure. I do believe he keeps up with the law office his father had in Mineral Va. I'll send the obit after the next email, I want to send the cover of the phone book to you, so you'll have a record of that also...Sandi

ps. Ula Dymack Whitlock and her sister Ruth were best friends with my mother and her sister Nelda . The were the Dymacek girls and mom and nelda were the Clough girls the all grew up on farms in the Apple Grove area of Louisa/Mineral Va. i'm adding this because Ula is a Whitlock by marriage and I wanted to give a tiny bit of info on her. All such nice folks.

This is just a picture of the phone book the Whitlocks were in in 1956. It's amazing the phone book is so small it covered Louisa, Madison co., Orange Co. Washington Va. Culpepper co. Va. and now that book would not even be able to hold all the numbers for the Town of Mineral. I guess only a few people had phones. My parents are in there and my grandfather Preston Thomas Clough. And even when I was little on til about the 8th grade we had what was called a party line, where if you picked up the phone you'd have to wait until your neighbors got off. Good thing we lived on a farm and there were only two others farms beside us, and we were all on the party line and I was the only girl my age for miles so I heard a lot from my neighbors, Get Off the Phone hahahaha, LOL. We weren't poor that's just how the phone lines were back then..

<http://www.rootsweb.com/~usgenweb/va/vastones/vastones.htm> VA. tombstone project. This web-site will take you to the Church were the Whitlock Family is buried. I believe they were also members of Mineral Baptist Church. See even though there was the youth choir I told you about, we all belonged to different churches in the area. me and my brother were memebers of South Anna Baptist Church. But my Gibson Family were members of Mineral Baptist Church (James M. Gibson , donnie, William and Ilma Gibson paul camilla annie lillie gibson my family) I do believe the Whitlock Family were long time members there also..I did see quit a few Whitlock tombstones.. but any how once you click in the link above go to where it says "Louisa County" and then go to "Mineral Baptist Church" there's a bunch of stones there with Whitlock, and you might even want to check the other churches listed for Mineral or the area..

I made a file and here is a copy. take care, Sandra Gibson Fino the daughter of the late :William Monroe Gibson & Ilma Clough Gibson of Mineral Va. clients of Attorney Bill Whitlock, just had to add this so you'd know why I had an interest in keeping Mrs. Whitlocks obit...looks like Mrs. Whitlock was a very active citizen, oh and by the way, the last email i had Jane married to a Fisk it's Sisk as in the obit for her mom, so it's Jane Sisk. later I'll take a picture of the obit, it also has a picture of Mrs. Whitlock and that way you'll have the complete obit for her. I probably won't take a pictrue off obit to soon I need to charge my camera . I love my camera , I just got it for christmas, and it's is so fun to take picutres and send them because it's just a snap and then add it to my pictures on my computer. Now, I hope someone will return the favor for me for somethings I'm looking for . bye bye!!
