Nancy Ward Whitlock(1835-1911) was first married to Andrew Barrett (1820-1855) in 1852. She then married Stanhope Whitlock(1837-1861) in 1857 and then to Abner Brown Whitlock(1843-1925) in 1865. I have no record of her marrying Joseph Barrett. Nancy and Andrew had one child, Andrew Jr. There are a number of "Nancy Whitlocks". If you have another link that I may help you with please send it. I will do my best to unravel the confusion. My regards to you as a Whitlock, OH! I am related too! Sorry!! Ha! Really, If I can help I will try. Don
