Hi Peter,

John Lok commented on his post.

John wrote: "Just saw this question of yours. We were married in St. Paul the Apostle, Wood Green 9/July/2010. I'm only eight weeks older than you. My wife is 12 years younger than I am and I just had to explain Our Miss Brooks's infatuation for Mr Boynton to her. However we have lots in common for she knows her Russian history and loves her opera."
