Hi Peter

Thank you so much for the Newsletter - all I can say is "Wow" - you are wonderful doing all this.

It looks as though I may not have given you some "dates of birth".

Peter Lesley Whitlock: born 17 July 1951 in Henty, NSW, Australia; his 2 daughters (with 1st wife Jan) are Kim Lee Whitlock 25 July 1983 South Korea - adopted; and Mea Whitlock 26 October 1985 South Korea - adopted; and his present wife (my daughter) Jane 2 March 1960 Tamworth, NSW, Australia; Peter and Jane were married 12 November 2011 in Henty, NSW, Australia.

Peter and his brother Bruce have a Farm Services business in Henty - they sell various farming needs and equipment, plus they do limespreading on properties where needed. Just in case you are wondering about Henty - it is a small country town between Wagga Wagga and Albury in New South Wales - it is only small but I guess you can find it on Google.

Thank you again - will keep in touch.

Belinda
