Peter and Quintin - sorry to have taken so long to reply to yours of 21 May, we have not long returned from Portugal and am only just beginning to put my brain in gear as far as Whitlocks are concerned!

Firstly - George Whitlock O4 (1823-78) is presumably the one baptised E.Tytherley? Agree he mrd (ii) Emily Targett bp 27 Sep 1835 Shaftesbury.

I also have Emily Targett Whitlock bp 11 May 1862 as daughter of Edwin - confirm that 1881 and 1871 Census show her with g.parents living in

Bell Street. Question - did mother die pre 1871?

Secondly - Edwin Whitlock N5 - I can find no reference of a mrge to a Emily Augusta Kelly (1825-1854). I have his first mrge to Julia M J Kelly in 1846, which as you say clashes with date of death for Emily Augusta in 1854. He mrd (ii) 19 Feb 1862 Emily Targett bp 13 Mar 1825 Donhead, Wilts (dau of James & Sarah).

In studying Chart 50 I have to query K7 Joseph Whitlock bp 4 Nov 1702 (son of John & Martha) mrd (ii) 26 Apr 1724 Martha Blake. His only mrge, as far as I have found, was 4 June 1722 Alderbury to Sarah Fry

Joseph bp 29 July 1703 Pitton (son of George & Ann) mrd 26 Apr 1724 Idmiston by licence (licence states Joseph bac. age 20 - information obtained from Jennifer Spencer back in 2001) Martha Blake born c.1703

You will remember some while ago we (Quintin, you and I) were trying to sort out a Joseph born c.1687 and came to the conclusion that he was not bp until 1703. His brother, George, was bp 15 Nov 1685 Pitton. (nb: the Wilts FHS PR transcript confirm George & Joseph as the sons of George & Ann Matthews/Mallory).

If this is proven it means that the descendants of Joseph & Martha do not belong to Chart 50 - to L8 Martha Whitlock bp 8 Mar 1740/41 mrd 1770/71

by licence to John Dear widower.

I have a printout of George & Ann Matthews/Mallory tree giving more detail and supporting notes which I will post on to you. This will hopefully explain my findings.

Thirdly - you have a Steven Whitlock O5 of N6 who mrd a Ciss Flight. Cannot find any reference to this couple.

X7241/2

Fourthly - N4-O5-P2-Q3 - my Parents - Reginald Sydney Brown mrd Ivy G Martin born
Plymouth, Devon not Hampshire

I think that's about it - look forward to your comments in due course.

Muriel
