Co-workers split \$1,693,647

Five Metro women who regularly play Lotto 6/49 together finally won it big with \$338,719 each in Saturday's draw. All worked together at Bell Canada, although two are now retired. From left are

Vera Whitlock, Ruby Borley, Roseann Buckley, Dorothy Boyle and Marion Hill. "I guess we could afford a nice sunny cruise together, but right now three of us have to get back to work," Buckley said.
