The Whitlocks were:

Charles

Prudence

my g. mother

Elizabeth

Emma

Esther

<sup>NI-250</sup> John H. Whitlock, b. c. 1800  
m.

Priscilla Welsh in Ashton, Bristol, Eng.

In going through old pictures I found my grand-mother with sisters Emma & Esther. My mother had written on back that:

Emma Davies

Esther Davis

were married & raised large families in and around Scranton and Wilkes-Barre, Pa.

Where do I go from here? I would love to know when they arrived in U.S. and how did Elizabeth get to Virginia City, Nevada to marry my grandfather!!

I shall have a fine trip - although hate traveling alone but I've done it many times. When I return in Spring I may drive up to see you & your big Whitlock collection.

Sincerely,

David Berry Crawford
