This branch of the family came from the Leicestershire, Nottinghamshire area of England from as far back as the early 19th century. They were a reasonably well to do family in the banking business. One meritorious artefact which exists is a gold pocket watch inscribed with a crest and a Latin motto which translates as "Let Neither Prosperity nor Adversity Destroy your Equanimity".

I would be pleased to assist your quest in any way possible and would like to hear more from you on the subject. I enclose a S.A.E. for your use.

Yours sincerely
Andrew Whitlock
