This Charles Holman was properly a Whitlock, not a Holman. Some time after the death of Dr. John M. Whitlock his widow, Josefa Lucero, married James Holman. The Rev. John M. Whitlock, son of Dr. Whitlock, married Margarita Valdez and their first-born, Charles Whitlock, was raised by the child's grandparents, the James Holmans. He was eventually legally adopted and given the surname Holman.

Charles Holman lived most of his life and died in California. He married (Teresa ??) but had no issue.
