Dear Mr Whitlock

Thankyou for your Newsletter and letter. My main interest is in the name HALLMARK and ALLMARK . I am a member of the Guild of One Name Studies for those names and send out a bi-annual Newsletter.

My great-grandmother x 5 was the second wife of my direct ancestor JAMES HALMARK and I descend from their son JOSEPH born 1748.

Their line descends to the present day and begins c1550. However, from the WHITLOCK side I have no other information and I would like to start looking for ELIZABETH WHITLOCK'S ancestors. Unfortunately, I seem to leave my own research until the last and I should search the parish register of BACKFORD which is at the County Public Record Office in CHESTER.

I wonder if you have any CHESTER<sup>\*</sup> WHITLOCKS amongst your data pre 1748? I should be pleased to learn of them.

I enclose 2 x 34p stamps.

Many thanks,

Yours Sincerely,

Olwen Taylor

\* I mean CHESHIRE of course.
