Dear Sir

I'm sorry but this is all the information I have for you, my parents never talked about their family's much so that is why I can't give you the information you asked for. This is all I know. Hope it will be of some use to your work. My mother was married four times, so I can't much about her names, when I knew her she was a Whittleck.

Also enclosed please find a \$6.00 money order, also a air-mail stamp for my first news letter.

Yours Truly
